October 28, 2010

Daniel J. Yeomans
Amicus Management, Inc.
Receiver for WVHF Radio, LLC
Grand Rapids, MI 49546

In re: WVHF(AM), Kentwood, MI
Facility ID No. 41667
Silent Since February 1, 2010
Request For Extension of Special Temporary
Authority To Remain Silent

Dear Mr. Yeomans:

This letter concern the request, filed on September 27, 2010, on behalf of Amicus Management, Inc., Receiver for WVHF Radio LLC, ("Amicus"), for Extension of Special Temporary Authority to permit AM Station WVHF to remain silent.

Commission records reflect that WVHF(AM) went silent on February 1, 2010, due to the transfer of the station to a new owner and re-establishment of the station's studio at a new location. The STA was granted March 20, 2010 and expired September 28, 2010. Amicus's request for extension of its STA states that the expected sale of the station has been held up by a pre-existing indecency complaint filed against the previous owner of WVHF(AM). Amicus further states that it is close to reaching an agreement with the Enforcement Bureau that will enable the license to be transferred. Amicus's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

Amicus's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station WVHF(AM) to remain silent until February 1, 2011. **Notwithstanding the grant of this special temporary authority, the broadcast license for WVHF(AM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01a.m. , February 2, 2011.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

¹ Notification of resumption of broadcast operations must either be electronically filed or mailed to:

Federal Communications Commission
Attn: 1800B3-DW, Room E-B450
445 12th Street, S.W.
Washington, D. C. 20554

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' towers shall be maintained. See 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,

H. Taft Snowdon
Supervisory Attorney
